FROM THE PASTORS STUDY-

Following is a reprint of last year's Chimes article concerning Pentecost. In light of how drastically the world has changed in a year's time, I thought it worthwhile to reprint this article as a reminder of how early believers came together and how the Lord moved among them. May their example be our example as we continue to be God's witness to the world.

What do you think of when you hear the word Pentecost? Are you thinking of an event that took place in the Book of Acts, Ch. 2, verses 1-4, or do you think of what follows that account, how the early church grew in one day from 120 to 3,000? Have you ever given pause to think that even eyewitnesses of this account still were in unbelief and accused some of drinking to excess? No matter what we think, there are many valuable lessons to be found in this account. One, the comforter that Jesus had promised has come as a rushing wind. Two, as people experienced this power in the Holy Spirit many believed and were saved. Three, after salvation they continually devoted themselves to the Word in the apostles teaching & stayed together breaking bread & stayed in prayer. What a wonderful example for us today-stay in the Word and pray and commune together as believers. What an example to a lost and dying world. As we prepare to observe Pentecost, let's reflect back on the early church as our example for worship and fellowship.

In His service,
Pastor Mike

Notes of Thanks

Thanks to Betty Tilly and Evaline Johanningsmeier for their help with the Chimes last month. News for the July Chimes is due on June 22.

To all our friends at Bethel,

Thank you so much for allowing us to share God's love through our music. It is always a joy to be with you.

We look forward to being with you again in the Future.
May God bless all of you.

-Circle of Friends

We thank the Bethel Youth for their unique presentation on Youth Sunday using various vegetables to give their message and then we also thank them for their check for \$100 for seeds. It will go to George and Julie Holmes for their seed ministry in Albania. Each year, they collect hundreds of packets of seed to take with them to distribute among the village families. The people truly appreciate this special gift and are able to feed their families better because of this special ministry. God bless you all!

Bethel Prayer Chain

*“My help comes from the Lord, who
made the heaven and the earth.”-Psalm 121:2*

Please call Mary Deerhake at 328-6208 with any prayer requests that you wish to have put on the prayer chain.

Glow! Glimmer! Glimmer!

As you watch fireflies shining brightly, think about how we are to let our light shine. Matthew 5:14-16 says “...*you are the light of the world..let your light so shine before men...*”

Just as fireflies shine their light to attract mates, we are to let our light shine to attract others to Jesus. How attractive is our light? Just as fireflies have a distinct pattern of communicating by flashing their light, so each of us has a distinct pattern which we share the light of Gospel with others. Bright flashes of light can clearly be seen in the darkened places filled with hopelessness and fear.

How many opportunities for letting our lights shine will be ours today? Will we use every opportunity to be a light in darkness? God created the firefly to glow and glimmer-and God created & calls us to be His witnesses to a dark world.

Relay for Life

THANK YOU to everyone that supported Bethel's 2009 Relay Teams. The bake sale that was held raised \$273.00 and a total of over \$2,700.00 was raised for the 23 team members that represented our teams.

We will continue to accept donations and raise money throughout the year to prepare for Relay 2010. If at anytime you would like to donate to

Bethel's teams for next year, please make checks payable to Christian Generations Class or cash will be great also.

God has blessed us with many survivors in our congregation and we will continue to strive to raise money for a CURE.

Love and Blessings,

Sunday School

The long “wait” is over – the skies have cleared, the flooding-rains have ended, the farmers are in the fields, ball games are being played – it’s official now; Summer has *finally* arrived. I would venture to say that “waiting” isn’t a strong characteristic in a lot of us. Let’s be honest – how many of us “enjoy” a nice long wait? Somebody estimated that most of us spend somewhere between 45-62 minutes *every* day waiting on something. Waiting for the light to turn green; waiting at the drive-thru; waiting for “the next available operator”; waiting for your computer to boot-up; waiting for the nurse to say “the doctor will see you now”.

Now that’s a lot of waiting! But the most important aspect is not the waiting; it’s what we do with all that time while we’re waiting. Most of us will try to find something to “do” – read a book, listen to the radio, watch the TV in the waiting room, work on our laptops. But do we ever think about using that time, that “waiting” period, to seek God ... to pray ... to just be still and listen for His voice ..

The psalmist writes in Psalm 27:14...” Wait for the LORD; be strong and take heart and wait for the Lord.” Sometimes we get impatient as we wait for Him to give us an answer. We may feel that we are wasting time as we wait, but we forget that God’s timing is *perfect*. He knows exactly what we need, and exactly when we need it – all we have to do is be patient and wait for Him. The Lord often uses those “waiting periods” in our lives to *refresh* us – to give us new strength, to renew our faith, and to teach us *HIS* ways. As we spend time “*waiting on God*”, it allows HIM time to develop qualities in us that simply can’t be developed any other way. There undoubtedly will be “waiting periods” throughout our busy summer schedules – let’s try and make good use of these times by allowing God to teach us, and to mold us into the people that He wishes for us to be.

God has provided for each of us the perfect “*Waiting Room*” where He teaches us about His perfect timing, and reveals to us a deeper understanding of just “Who He Is”. God’s perfect Waiting Room – *Sunday School*

Seeking More of Him, and less of me

VBS Crocodile Dock: Where Fearless Kids Shine God's Light

Monday, June 1 through Friday, June 5.

8:30 a.m. to 11:30 a.m. each day.

Are your kids ready to sink their teeth into BIG fun? That's just what they'll do at Crocodile Dock, where fearless kids shine God's light! Kids who are 3 years of age (potty trained) through kids entering 6th grade this Fall will join their crews this week to learn about God's love. At Crocodile Dock, children won't just hear about God's love; they see it, touch it, sing it, taste it, and put it into action through God Sightings.

As they travel from station to station, they will go deeper into their understanding of God. Most importantly, children will learn that God sent his Son, Jesus, to die for our sins because He loves us. Parents, grandparents, church-members, and friends are invited to join us each day at 11:05 a.m. because that's when we'll be having Firefly Finale - a daily celebration of God's love you won't want to miss.

We are still in need of part-time volunteers to help with registration, transportation, and other small jobs. If you have an hour or two that you could share this week, please contact JoAnne Brocksmith 328-2195 or call the church office at 328-2358.

Also, we have been collecting donations to cover the cost of VBS. We are still about \$450 short of our goal. Do you have any loose change in a jar or on your dresser? Thank you to those who have donated! We are expecting about 80 kids from the community this VBS week.

Preschool News

News from Mrs. Chattin:

Greetings from Bethel Preschool. When you read this, another year of preschool will be behind us. I have enjoyed the Class of 2009 so much. I've been blessed with 32 wonderful children this year.

We have had so much fun during the month of May. My children have said May is "party month" at preschool, and they were so right.

As soon as we finished letter Z, we began to make plans for our Smart Party. We enjoyed eating dinner at school that day, complete with a white tablecloth on our table, flowers and candles. We turned off the lights and listened to dinner music as we ate our macaroni and cheese, peanut butter and jelly sandwiches, cookies and many other favorite foods. Thanks to Traci French and Mary Ann Miller for helping me serve all the hungry preschoolers. I must say, they were all very well-mannered and patient. I told them someday they would go to the prom and probably have a fancy dinner just like we were having at our Smart Party. I then had one of my little boys tell me, "When I get old, I'm going to ask you out on a date." I was touched and still have a smile on my face after that comment. I just hope he is willing to push me in my wheelchair!

We had so much fun exploring God's house here at Bethel, and finding lots of yellow stars hidden all over God's big church. Once we found a star, we found a surprise. Every child had their own shopping bag. The children enjoyed ringing the big church bell, also. The last star we found was at the altar. At the altar, each child found a small Bible of their very own. Each child put their new Bible in their bag, and then knelt at the altar to pray. I wish everyone could see these children praying and hear their prayers. Very, very touching. A very special thanks to Ray Hall for providing Bibles to all the graduates. I certainly appreciate your kindness and generosity and the little ones are so proud to have a Bible of their very own. Thanks, Ray!

The children were so excited to finally get to paint their hand on the wall. Once you graduate from Bethel, it is the custom to paint your hand on the wall, and I write their first and last name under their handprint. This year, I had to begin painting hands on a new wall, as the wall we began using in 1999 was full. We have certainly had lots of children graduate from Bethel Preschool.

We had a beautiful day for our Teddy Bear Picnic and the bears came in all shapes and sizes. The bears were all very well-behaved, (just like my preschoolers). My big bear I brought did get into some trouble and had to sit in the time-out chair. The children laughed and giggled with delight!

Our big Graduation was held on May 8th. I was so very proud of all the preschoolers. They did a wonderful job reciting their Bible verses and

singing their songs. After our graduation, everyone enjoyed a Hawaiian Luau party in the Social Room. The children certainly enjoyed bringing their Mommy to our Mother's Day Tea. The Social Room was decorated with candles and red roses. Each child made their mommy a gift and also a favor of red roses made out of Hershey Kisses. The card and ribbon on our favors said I love You. The preschoolers had so much fun making this gift for Mommy, but they ate more Kisses than they wrapped in red foil.

Prayer continued, and has always been a very important part of our preschool. They love to sit on my lap or in the prayer chair and talk to God. Last week, a little boy thanked God for making his mommy better. He told God, "she has had a bad case of the scoots". Oh my! I do hear everything! What a joy these children have been in my life.

Wishing all of you a wonderful and safe summer.

God Bless,
Linda Chattin

P.S.

In closing, I want to say a very special thanks to those individuals who served as special Prayer Partners to our 55 preschoolers this year. This is a wonderful mission and the children love to get gifts and cards from you. Thanks also to members of Bethel Church who support our Preschool program in so many ways. Your cookies, salads, money, helping hands, prayers and so much more had meant so much. Thanks to those in the community who donate to our school, and a huge thanks to our ***very special*** and ***wonderful*** volunteers. We love you! Thanks to all who have helped in making our preschool a wonderful success. Classes are full for next year, and I still have 22 children on my waiting list. I could certainly use additional volunteers for the upcoming school year. Please let me know if you know of anyone who could volunteer 1 or 2 times a month.

Prayers by children:

Dear God, I bet it is very hard for you to love everybody in the whole world. There are only four people in our family, and I can *never* do it.

Dear God, My father says I should learn the Ten Commandments. But I don't think I want to because we already have enough rules in our house.

Dear God, I don't think anybody could be a better God. I just wanted you to know that. And I am not just saying that because you are God already.

Notes from Mrs. Durall:

May has almost been as crazy as February with the weather but it has been fun and fast at preschool. We finished all the letters by talking about Zaccheus and how he climbed the tree to see Jesus. We decided we should always be looking a head to see Him. We FINALLY got the the end of the train (of letters) was one little boy's excitement. We dressed up in the Armor of God and talked about how we should always go out in the armor to be protected from evil. I heard many made up "evil stories" as the kids handed the breast plate of righteousness or helmet of salvation to the next person. I am very thankful we litterally don't have to suit up everyday. I think I would be wore out just getting it all on and then totally exhausted trying to move in it.

We had our Teddy Bear Picnic. We got to go outside to eat; however, we didn't get to take our bears or other stuffed animals to the play ground to slide due to the wet grass. We learned how teddy bears are like God in many ways. They both love us even if we forget about them for a few days (which we shouldn't do, but know that sometimes we get too busy to thank God or talk to Him. And sometimes our bears are put under the bed and not found for a while). They both give great hugs, listen very well. They both can go with us anywhere we go. And we love both our teddy bears and God.

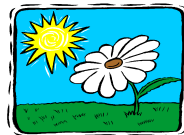

Our Fun and Run Day turned out wonderful. We did lots of different activities and learned that we must never ever quit. We will get better each time and we couldn't say "I can't do it". After I had put all the kids in a bubble, I let them do the same to me. Because they are a little short yet, I tried to bend down so they could get me in a bubble. The bubble wasn't forming at first. Not sure if there were too many hands, the water was too dirty or just why. One little boy made a point to tell me it was my big pockets that kept popping the bubble.

I have been blessed this year by every child. I have heard many great Bible stories and prayers that have either broke my heart or gave me peace. I pray for each one of them that their journey with Jesus may only grow stronger. They are all ready to be the big kids at preschool!

A big thanks to all who help the preschool in any way. Our volunTERS are the best. We love you all dearly and give many many thanks for your wonderful ways. God will bless all of you for the great servants you are.

I am looking forward to a great summer!

God Bless!

Historical Committee

The Historical committee is busy getting the 2010 calendars ready. We have taken pictures of 100 years or older homes in Widner Township. We are now getting information on them. It has been interesting talking to the former residents and those living in the homes now. We hope to have the calendar ready by early December.

Anyone interested in the history of Bethel and Widner Township is welcome to come and join us. Our next meeting is June 2 at 6pm in Bethel's social room.

We still have 2009 calendars and our Baptismal book plus other books available.

Mission Committee

This year's Fellowship of Christian Farmer's Annual Conference will be in Shipshewanna, Indiana. Shipshewanna is advertised as a beautiful place in the heart of northern Indiana Amish country with lots of shops, a large flea market and good places to eat. Actually 4 teams of the Amish from this area went to Texas to work on the fence building project mentioned below. We would encourage you all to attend the conference. The speakers are inspirational and you learn so much about various missions that FCFI works with. You will meet many interesting people and the sessions present new insights on God's word and the activities of God's children who go about doing good. Denis Schagel, the executive director of FCFI says that when you leave, you will have at least 5 new friends from 5 different states. The dates are July 31-August 2. The cost is \$195 per person for 2 nights' lodging and meals for Friday evening, 3 meals Saturday and Sunday morning breakfast. Registration is required before July 1. If you have any questions, please contact us at 735-4781 or see us at church.

We also want to thank the Sunday school for their donation to the Fellowship of Christian Farmers. It will be spent on supplies to build fences in Texas to replace fences destroyed during Hurricane Ike last year. The farmers are having to board out their cattle until fences can be restored and the cattle brought home. A number of groups from Indiana have gone to help. FCFI teams have built 200 miles of fence and 1500 miles remain to be built. Groups are still going there to help. Housing and some food is provided for participating groups. Let us know if anyone would be interested.

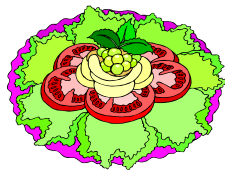

-Rowe and Maridell Sargent

There will be a short business session.

Library Notes

We have some books that I think you might enjoy. They're on the pink bookcase. Put your name on the card inside the book and put it in the box. If I'm not here and the book is, but the card is still in the box, take it out of the box.

-Mary Deerhake

A little boy was sitting sadly on the curb beside his lawn mower, when along came a minister riding a bicycle. The minister noticed that the boy appeared discouraged, so he thought he would try to help.

"Hello there!" said the minister. "How would you like to trade your lawn mower for this bicycle?"

"Sure, mister," the little boy responded, and went on his merry way.

A few days later, the boy and the minister crossed paths again. The minister said, "I think you took me on our trade. I keep crankin' that old lawn mower, but it won't start."

"You gotta cuss it," said the little boy.

"Well I can't do that," said the minister. "I'm a preacher. I forgot about cussin' a long time ago."

The little boy answered, "Just keep on crankin', preacher; it'll come back to ya."
